TORC1 RACING is an organization founded by individuals with passion above and beyond for the Power Sports industry. Our mission is to provide innovative, premium, performance products for your Motorcycle and ATV. From Handlebars, Grips, Levers, Shifters, and Brake Pedals our products are constructed with the highest quality materials, designed to be the lightest in weight, and most importantly added value and affordability to our customers.

Passion, Commitment, Energy, Focus, Enthusiasm, Ambition, and most of all we're an EXPERIENCED organization that has come together to bring you the BEST of the BEST.

VENGEANCE

FLEX LEVERS

FOLDING CLUTCH AND BRAKE LEVERS

- THE NEW VENGEANCE LEVER HAS BEEN COMPLETELY REDESIGNED WITH A SLIM, SLEEK LOOK AND FEEL. THE COMPLETE LEVER IS CNC MACHINED AND OFFERS AN EXCLUSIVE INTERNAL SPRING DESIGN. THIS IS WHAT HELPS MAKE THE VENGEANCE LEVER THE THINNEST AND LIGHTEST ROTATING LEVER ON THE MARKET. EASILY FITS IN ALL OEM DUST BOOTS WITHOUT ANY CUTTING OR TRIMMING. THE NEW SMOOTH ROUND LEVER SHAPE PROVIDES GREAT FEEL AND IS ADJUSTABLE TO FIT ANY HAND SIZE. WE ALSO INCLUDED AN EXTRA BLACK LEVER IN EACH KIT. KEEP IT AS A SPARE IN YOUR TOOL BOX OR MOUNT IT UP AND GO STEALTH WITH ALL BLACK LEVERS. THE CHOICE IS YOURS!

POLISHED **FACTORY REPLACEMENT LEVER**
